

Advancements in Wood-Plastics Composites Symposium

Symposium Guide Addendum

Speaker Changes:

2B.3 - Develop Polypropylene/Cellulose Nanocrystals Laminated Film for Flexible Barrier Packaging

Jinwu Wang, *USDA Forest Service, Forest Products Laboratory*

4B.3 - Optimization of Magnetostrictive Cellulose Nanofibril Composites

Andrew Thompson, *UW Milwaukee Research Foundation*

Cancellations:

3 – Poster Session

1 – Directed Deposition of Cellulose Nanocrystals for Selective Polymer Property Enhancement

Jane O'Dell, *USDA Forest Service, Forest Products Laboratory*
