

## **Advancements in Wood-Plastics Composites Symposium**

### **Symposium Guide Addendum**

#### **Speaker Changes:**

2B.3 - Develop Polypropylene/Cellulose Nanocrystals Laminated Film for Flexible Barrier Packaging

**Jinwu Wang**, *USDA Forest Service, Forest Products Laboratory*

4B.3 - Optimization of Magnetostrictive Cellulose Nanofibril Composites

**Andrew Thompson**, *UW Milwaukee Research Foundation*

Cancellations:

#### **3 – Poster Session**

1 – Directed Deposition of Cellulose Nanocrystals for Selective Polymer Property Enhancement

**Jane O'Dell**, *USDA Forest Service, Forest Products Laboratory*
